

A FAITH ————— OF YOUR OWN

Week 4

How do we live like Jesus? How do we actually do what He did? As the church, we are called not only to follow Jesus in spirit, but we are called to continue His work. Being a follower of Jesus starts with understanding where you are at on the map.

Discussion Questions:

1. What is something that took you a long time to be able to do or achieve in your life? How did you stay persistent?
2. What do you think it means to do what Jesus did?
3. Read John 14:12-14. Jesus said we can do greater things than He ever did. What are the implications of this?
4. During this series, we have looked at the three goals of being a disciple (Be with Jesus, Become Like Jesus, and Do What Jesus Did). Where are you right now in this cycle?
5. Why is it important that we not sit in one spot for too long? What is holding you back from taking a next step (i.e./ fear, comfort, busy schedules, unaware, etc.)?

Moving Forward:

- Define where you are in being a disciple of Jesus (Be with Jesus, Become Like Jesus, and Do What Jesus Did)?
- As you become more like Jesus what would be a next step for you (i.e./Connect, Serve, Give, and Invest/Invite)?
- Who is one person you can share your story with this week?
