## Renovated: Life in the Kingdom (Pt. 1)

### Discussion Questions:

1. As a child, name one thing you believed or imagined that wasn't real.
2. Is there something real or imagined that has kept you from connecting with Jesus growing up?
3. Jonathan said, "We can create a reality in our mind that does not exist and live as if it were true. What we believe drives what we do."
  - How have you seen examples of people that believed something, but it wasn't true?
4. Jonathan also said, "When we take it upon ourselves to define good and evil we have a problem."
  - How could that pose a problem if your neighbor or friend defines good and evil?
5. Read John 18:28-40.
  - Why did Pilate think Jesus was a King?
  - From this passage of scripture, why was Jesus born?
  - What truth was Jesus talking about?
6. Why did the Holy Spirit need to come in John 16:4-11?

### Next Steps:

- What are things you believe about God or His Word, but maybe you aren't living out that mindset?
- How can the Holy Spirit guide you to live out your faith this week?
