LOVE

HEY PARENTS!

We all want our kids to do great things, and Jesus said the greatest thing we can do every day is to love God and love others. That's why on UpStreet we'll be learning that love is the G.O.A.T. (greatest of all time)!

TALK ABOUT IT:

- 1** Why is it important to love others?
- 2** Who is someone that is hard to love?
- 3** Who could you go out of your way to love this week?

HELP YOUR FAMILY NEVER FORGET THAT JESUS SAID LOVE IS THE G.O.A.T!

LEARN IT.

Put **this cling** where your family will see it every day (on the refrigerator, on the front door, on a window by the kitchen table).

LOCK IT.

Test your skills at stoplights! Every time the light turns red, have everyone in the 🚗 try to say the verse from memory. Hurry before the 🚦 turns green!

LIVE IT.

Commit to each other that you're going to be a family who "loves God and loves others" every day. Remind each other as often as you can that this is the first and greatest thing Jesus told us to do!

'Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself.'
Matthew 22:37-39
